

FARMERS SHOW BIG INTEREST IN COURSE ABOUT ADVERTISING

Oregon Agricultural College, Corvallis, Dec. 1.—With a plan to bring the farmer into closer cooperation with the home newspaper the short course on using advertising to sell farm produce, to be offered Farmers week, December 26-January 3, is receiving widespread attention by the farmers, and valuable support by the newspapers of the state.

"The value to the farmer of these discussions on advertising cannot be emphasized too strongly," says Homer L. Roberts, a former news writer for weekly papers in eastern Oregon, and now on industrial journalism student at O. A. C.

"Advertising columns of the home newspaper open a way to cheaper and quicker market facilities. The country press is the farmer's traveling salesman. It will sell his alfalfa or clover seed and grains. I have known of a farmer who had an improved strain of wheat that he wished to introduce to his neighbors. He advertised. The supply was exhausted after the first appearance of his ad."

Fruit growers will find this course of practical value in obtaining a quick and seasonable market. Mr. Roberts predicted. He has seen the plan worked out in the Brogan peach and apple section in Malheur county. The producer advertises his prices and the time the fruit will be ready, and sells a large share of the crop in his own neighborhood. The man who sells purebred livestock will learn the advantages the newspaper offers in placing him in touch with the buyer he wants to meet.

The art of writing advertisements that sell, the preparation of copy for the press, and many other points of practical interest to the advertising farmer, will be explained by C. J. McIntosh of the department of industrial journalism.

Baker county bank deposits increased \$177,708.38 during the period from September 12 to November 17.

Quits Cathartics—Internal Baths Relieved Permanently

Mr. Joseph A. Weis, Hotel Vendome Washington, D. C., writes Tyrrell's Hygienic Institute of New York as follows: "On the 15th of June, 1915, I purchased a 'J. B. L. Cascade'. The results it has produced are simply marvelous. For 20 years I used cathartics, but have used nothing but the Cascade for almost a month. I feel like a new man; I want to be pleasant to everybody. Before I used the Cascade I was a grinch. Did not like anybody and could not be pleasant."

If you bathe internally with the "J. B. L. Cascade" you will find yourself always bright, confident and capable. Poisonous waste in the lower intestine makes us bilious, blue, dull and nervous. Internal baths are nature's own cure for constipation—just antiseptic warm water properly applied. Drugs force nature—the "J. B. L. Cascade" gently assists her.

It is the invention of Charles A. Tyrrell, M. D., of New York, who specialized on internal bathing for 25 years, and will be shown and explained to you by Daniel J. Fry, who will also be glad to give you free on request an interesting booklet, called "Why Man of Today is Only 50 per cent Efficient," which covers the subject in a very thorough way. (Adv.)

BUTTER AND CHEESE MEN TO CONVENE SOON

Portland, Or., Dec. 1.—The state convention of the Oregon Butter and Cheese Makers' association will meet in the Portland hotel December 17 and 18. Large attendance from all parts of the state is anticipated. Last year the association had a banner good attendance. Oregon butter and cheese and other dairy products have made so much progress since then that the officers expect this convention will eclipse all former gatherings.

Mayor Baker will deliver the welcoming address and R. E. Cavett of Portland will preside. E. B. Fitzgibbon, dairy expert of Oregon Agricultural college; L. B. Ziemer, chief creamery expert; Fred Christensen, inspector of Tillamook county; H. L. Hawley, creamery, W. H. Thomas of Tillamook, V. H. Kent of the Peerless Point, will speak. There will be an opportunity for discussions by practical dairy and creamery men.

Butter discussions will be led by E. O. Post, P. C. Jorgenson, J. Pedersen, S. O. Rice of Mount Angel, and J. Therklenn of Umpine. All who desire to compete in the butter and cheese exhibits may obtain uniform cubes from Monroe & Criswell, free of charge. Many prizes of merchandise and cash will be awarded with medals and a silver cup for the highest winners.

TROOPS ARE ASKED TO PATROL STRIKE AREA

Wheeling, W. Va., Dec. 1.—A demand for troops was made by Prosecutor Parriott, Marshall county, following rioting in Benwood early today, when one man was killed, another believed fatally hurt and several others sustained minor hurts in a revolver battle between steel strikers and a force of deputy sheriffs.

Officers said the strikers precipitated the battle when they tried to stop other steel workers from returning to their jobs in the National Tube company plant. Heavily armed officers and citizens are patrolling the town.

Sheriff W. E. Clayton was shot in the abdomen and may die. Deputy Sheriff McCasle was slightly wounded. Matto Baron, said to have been a leader among the strikers was shot dead.

PICTURE BRIDES ARE COUSE OF DEADLOCK

San Francisco, Dec. 1.—Still deadlocked on the Japanese picture bride question, delegates from Japanese colonies in western states and British Columbia today began their third day's session with the board of directors of the Japanese Association of America. The delegates are here to protest against the board's anti-picture bride resolution on the ground it deprives them of the privilege of marriage while in this country.

It is expected the conference will vote on the question today. Japanese editors here have fallen out over the picture brides. The "New World" and the "American News," Japanese dailies published in San Francisco, are reproaching one another each criticizing the other's cartoons and editorials on the brides.

Cleveland Planning Subways And Elevated

Cleveland, Ohio, Dec. 1.—Cleveland is suffering acutely from congestion and a clinic composed of public officials and traffic experts are planning relief through a system of subways, elevated lines or short tubes through the downtown district.

H. M. Brinkerhoff, representing a New York engineering firm, is making the survey and municipal officials expect to whip the data into shape for presentation to the voters at a special election on February 10th. It was believed any one of the three ways of relieving congestion will be approved. Officials based their confidence for acceptance on the keen rivalry between the citizens of Cleveland and Detroit. This rivalry has existed for many years. Detroit has existed for some form of rapid transit for a long time without success. Cleveland recently recognized an opportunity to give the laugh to the automobile city.

Insect Killer Proved Booze In Disguise

Portland, Or., Dec. 1.—(By United Press.)—Mike Foino and Raleigh Faulkner will appear before Federal Judge Wolverton today to receive sentence. They were recently convicted on a charge of conspiracy to ship liquor, in interstate commerce unlawfully, and for twice violating the Reed amendment.

The government presented evidence to prove that Foino and Faulkner conspired to ship liquor from San Francisco to Portland by placing two pint bottles in a tin can. This was labeled "insect killer" or "carbon tonic," followed, there being 28 cases of the "tonic." In addition to the conspiracy charge, the men will be sentenced for two violations of the Reed amendment.

Plans have been perfected for the erection of a two story addition, 50 by 100 feet, to the Puyallup & Sumner Valley Fruitgrowers' cannery at Alhany.

BIBLES PLACED IN HOTELS AND STATE TRAINING SCHOOL

Yesterday at Leslie M. E. church dedication services were held and Gibson Bibles placed in guest rooms of the Marion, Arco, Bligh and Capital hotels and probably the most important part of the work was the placing of one hundred and fifty Bibles in the state training school for boys.

This work was accomplished by the generous contribution of \$202.55 from eight Salem churches where the Gideon work was presented. Also a gift from two of the hotels where bibles were placed. The amount expended for Bibles for Salem hotels and the school was \$204.75 plus freight charges from New York, \$21.88. These books were ordered September 3 and the same number if purchased now would cost \$49 more.

The Gideons commenced their bible work about eleven years ago and since then have placed 415,357 bibles in the hotels in the United States, Alaska and Canada. During the month of October 5932 were distributed.

The officers of the organization wish to thank all who have taken a part in this good work for the city and state.

Municipal Golf Club At Seattle Burned To Ground

Seattle, Wash., Dec. 1.—Fire destroyed the municipal golf club house at the Jefferson Park links early today. Origin of the blaze is unknown.

Dozens of golfers lost their collection of clubs and golfing clothes when the lockers were burned. The building also housed pumping apparatus for the Beacon Hill water reservoir. Damage will exceed \$50,000.

England Pays Homage To Queen Mother At 75

London, Dec. 1.—(United Press.)—Queen-Mother Alexandra celebrated her 75th birthday today, and in honor of the event salutes were fired at noon in St. James' Park, London, and at Windsor. Flags were flown on all government buildings. At Marlborough House, the queen-mother's London residence, there was a constant stream of distinguished callers desirous of signing the visitors' book and tendering birthday congratulations. King George and Queen Mary and the other members of the royal family were early visitors. There were also many humble callers, whose offerings of flowers and similar small gifts proved passports through the cordon of police and military sentries.

From the day of her arrival here to marry the late King Edward in 1863, the Danish princess of whom Tennyson wrote his "Sea-King's Daughter from over the Sea" established herself in the affections of her adopted country and is probably the most revered woman in England today.

Time seems to have almost passed her by from all outward appearances for even at her present age, the queen-mother is a strikingly beautiful woman and still looks years younger than her daughters. Of late, however, she has had to use a stick when walking and cannot take much exercise. Otherwise her health continues fairly good.

Labor Leader Left Estate Of \$250,000

White Plains, N. Y., Dec. 1.—To all but a few of the thousands of workers who knew John Mitchell the recent announcement that the great labor leader was comparatively wealthy at the time of his death came as a great surprise. When his estate was probated here, it was discovered that he left approximately \$250,000. His fortune was solely the result of thrift and wise investment and bears witness to the opportunities and possibilities which America presents to the poor worker.

John Mitchell began as a breaker boy in a Pennsylvania colliery. He received no tremendous salaries during his life time, not even when he had attained international reputation. His honesty was never called in question. Both the workers he represented and the mine owners knew that he was not to be bought. Yet he died rich for he always lived modestly and within his income, he always saved a part of what he earned and invested it wisely. His estate is an example of what every poor boy who comes to America can accomplish in greater or less degree and Liberty Bonds.

Feel-Tired, Achy-All Played Out?

ARE you dull, tired, achy all over---bothered with a "bad back?" Do you lack energy for the day's work? Evening find you "all played out?" Don't worry so much about it! You can't expect to feel up to par if your kidneys aren't acting right. The kidneys need help occasionally just as the bowels need help. A dull, nagging backache; soreness, lameness and sharp sudden pains are all symptoms of neglected kidneys. You may have headaches and dizziness, too, and perhaps some annoying kidney irregularity. Don't wait for more serious troubles. Get back your health and keep it! Use Doan's Kidney Pills. They have helped thousands and should help you. Ask your Neighbor!

Read These Salem Cases:

Mill Street
W. C. Johnston, gardener, 1021 Mill street, says: "Taking cold and over exerting myself brought on kidney trouble. For two years I suffered with pain in the small of my back, right across by kidneys. My back ached at night and in the morning I felt tired and lame. I was languid and nervous, also. Headaches and dizzy spells bothered me and my sight blurred. The kidney secretions didn't pass often enough and they contained sediment. Finally I heard of Doan's Kidney Pills, and after taking them, was greatly relieved. Doan's sure are fine."

South Thirteenth Street
Mrs. L. M. Drager, 939 South Thirteenth street, says: "I can conscientiously say Doan's Kidney Pills are a reliable medicine for kidney disorders. I have taken them at different times when I have had a dull, tired feeling across by kidneys and when my kidneys haven't been acting regularly. Doan's have never failed to give me quick relief. It is only once in a great while now that I have to use a kidney medicine."

High Street
Joseph Wint, retired blacksmith, 968 High street, says: "My back and kidneys bothered me. My kidneys were disordered and my back seemed to lose strength. A short use of Doan's Kidney Pills soon put me right." Over three years later Mr. Wint said: "My opinion of Doan's Kidney Pills is just the same today as it was when I gave my first endorsement. I haven't had any kidney trouble now for several years and I give Doan's credit for bringing such lasting results."

Mission Street
Mrs. G. H. Deacon, 1498 Mission street, says: "It has been a long time since I have taken Doan's Kidney Pills, but, speaking from past experience, I can say they are a medicine of merit. I had a dull pain across my kidneys and at times it was very severe. After I had taken Doan's Kidney Pills a few days, that disagreeable ache disappeared. My back and kidneys have caused me but very little trouble since."

No pack of Doan's Kidney Pills is genuine unless it bears the maple leaf trademark and the signature—"Jas. Doan."

Lee Street
J. H. Penton, 1405 Lee street, says: "On several occasions a cold settled in my back across by kidneys, causing pain, and extended into my loins. I knew that my kidneys were to blame and started using Doan's Kidney Pills. I found them just the thing to rid me of the pain and disorders." Over four years later Mr. Penton said: "I have never found a more reliable medicine for backache and kidney disorders than Doan's Kidney Pills. Whenever my kidneys get out of order Doan's soon put them right."
